HEALTHCARE & PROFESSIONAL COMMERCIAL STRATA — DARRA STATION PRECINCT

\$4,500,000 ASKING PRICE	5 OCCUPIED TENANCIES	966m² TOTAL BUILDING AREA	\$259,679* GROSS ANNUAL RENT (EST.)
------------------------------------	--------------------------------	--	---

A corner commercial strata building directly opposite Darra Railway Station, currently home to five active healthcare and professional tenancies — A.J. Torbey Solicitors, DDC Specialist Dental Centre, Darra Medical Centre, Ocean Dental Care, and Darra Chemist. Confirmed against site photography taken 23 July 2026. The two remaining strata lots (Shops 4 & 5) may also be available, giving a purchaser the option to acquire full ownership of the entire building and land.

EXECUTIVE SUMMARY

146 Scotts Road, Darra presents a corner commercial strata holding directly opposite Darra Railway Station, in the established Darra town centre. Site photography taken 23 July 2026 confirms an active healthcare and professional tenancy mix trading from the ground floor — A.J. Torbey Solicitors, DDC Specialist Dental Centre, Darra Medical Centre, Ocean Dental Care, and Darra Chemist — supported by solar rooftop infrastructure and dedicated on-site parking.

Asking price is confirmed at **\$4,500,000** — per Josh, this matches an offer already on file from an overseas (Vietnamese) investor. This figure, and the rent estimate below, originate from ALTO's earlier six-lot marketing of this site (Lots 1, 2, 3, 6, 7 & 8, excluding Shops 4 & 5), previously circulated under the address 39 Railway Parade, Darra QLD 4074 — confirmed by Josh to be the same property. **The per-tenant rent shown in the Tenancy Schedule is an estimate**, built by matching each of the five current tenants to the closest-matching business in that earlier six-lot schedule by name and use type — it is not a confirmed current rent roll, and one of the six original lots (a second Dental Laboratory unit) could not be matched to any current tenant at all. Confirm the actual current rent roll with Josh before this goes to a purchaser.

Shops 4 & 5 — the two strata lots not included in the base offering above — may also be available for sale. Adding them would give a purchaser the option to acquire full ownership of the entire building and land as a single holding, rather than the five-tenancy base offering alone. See Property Description and Historical Lease Reference for what's on file for these two lots.

CURRENT TENANCY PROFILE

Tenant names and uses are confirmed by site photography (23 July 2026) of the building's ground-floor signage. Rent figures below are an estimate — see the footnote for how each was derived — not a confirmed current rent roll.

BUSINESS	USE	MONTHLY RENT	ANNUAL RENT
A.J. Torbey Solicitors	Legal / Professional Services	\$1,406.32*	\$16,875.84*
DDC Specialist Dental Centre	Dental / Healthcare	\$9,024.77*	\$108,297.24*
Darra Medical Centre	Medical / Healthcare	\$4,724.17*	\$56,690.04*
Ocean Dental Care	Dental / Healthcare	\$2,578.29*	\$30,939.48*
Darra Chemist	Pharmacy	\$3,906.38*	\$46,876.56*
Total Gross Annual Rent		\$259,679.16*	

*Estimated. No current rent roll is on file for these five tenancies. These figures are carried over from a prior six-lot tenancy schedule (per Josh, confirmed the same site, previously marketed as 39 Railway Parade, Darra QLD 4074), matched to the current tenants by closest name/use-type: Lot 1 “ChemPro Chemist” → Darra Chemist; Lot 6 “Legal Office” → A.J. Torbey Solicitors; Lot 2 “Specialist Dental & Medical Clinic” → DDC Specialist Dental Centre; Lot 7 “Specialist Dental Clinic” → Ocean Dental Care; Lot 3 “Dental Laboratory” → Darra Medical Centre (weakest match — assigned by elimination, not a name or use match). A sixth original lot, Lot 8 “Dental Laboratory” (\$1,358.07/mo), could not be matched to any current tenant and is excluded from the total above — likely vacated or absorbed since the original six-lot schedule was recorded. None of this has been independently verified against an actual current lease or rent roll for any of the five tenants — confirm directly with Josh before this goes to a purchaser.

Sourced from executed Form 7 leases (Queensland Land Registry, Title Reference 15681017), original landlord Torbey Pty Ltd (ACN 009 755 382). Shop 4 executed 1 Oct 2016 (3-year term + 3-year renewal option); Shop 5 executed 1 Jan 2015 (3-year term + 3-year renewal option). Both terms have since lapsed on their documented dates — the tenants and uses shown here do not match the current signage above, indicating these tenancies have turned over since these leases were executed. Retained here only as a floor-area and historical rent-psm benchmark. Per Josh (Aug 2026): Shops 4 & 5 may be offered as an optional inclusion for a purchaser wanting to acquire the whole site for redevelopment — see Property Description for detail. Shops 4 & 5 correspond to Lots 4 & 5, excluded from the six-lot offering referenced in the Tenancy Schedule footnote above.

OCCUPANCY

5 ground-floor tenancies observed occupied (site photo, 23 Jul 2026)

The property comprises a two-storey corner commercial building fronting Scotts Road at a signalised intersection, directly opposite Darra Railway Station. Rooftop solar infrastructure services the building. Ground-floor tenancies front the street with dedicated forecourt parking; a first-floor office suite (Suite 1) is separately fitted for professional use. Total building area is 966m², zoned District Centre (DC1) under Brisbane City Council's planning scheme — a zoning intended for a mix of retail, commercial, health and community uses, consistent with the building's current healthcare/professional tenancy mix.

Executed lease documentation on file for two of the strata shops confirms individual unit areas in the 89.8–90.6m² range, consistent with a multi-tenant strata configuration. This site was previously marketed by ALTO as a six-lot offering (Lots 1, 2, 3, 6, 7 & 8) under the address 39 Railway Parade, Darra QLD 4074 — per Josh, confirmed the same property — at an asking price of \$4,500,000, with an offer on file from an overseas investor at that figure. Shops 4 & 5 (Lots 4 & 5, see Historical Lease Reference) were excluded from that six-lot offering and may also be available for inclusion in the sale — adding them to the base offering would give a purchaser the option to acquire full ownership of the entire building and land as one holding, rather than the five-tenancy strata offering alone. The address discrepancy between the two marketing documents (146 Scotts Road, 4076 vs. 39 Railway Parade, 4074) has not been independently resolved and should be confirmed with Josh before this goes to a purchaser.

INVESTMENT HIGHLIGHTS

- Asking price confirmed at \$4,500,000, matching an offer already on file from an overseas investor
- **Shops 4 & 5 may also be available** — the option to acquire full ownership of the entire building and land as one holding, in addition to the five-tenancy base offering
- Directly opposite Darra Railway Station — rare transit-adjacent commercial holding
- Established healthcare & professional tenant mix — dental, medical, pharmacy and legal, mirroring the successful positioning of ALTO's earlier six-lot offering for this same site
- Five active ground-floor tenancies confirmed by current site photography
- 966m² total building area on a District Centre (DC1) zoning — supports a broad mix of retail, commercial, health and community uses
- Rooftop solar infrastructure already installed
- Strata-title structure (Title Ref. 15681017) allows flexible future disposal by individual lot
- Signalised corner exposure with dedicated forecourt parking
- Healthcare and professional tenancies typically carry high fitout investment and low relocation propensity, supporting tenant retention

Outstanding before this IM is finalised: independent confirmation of the current rent roll for all five active tenancies — the figures shown in the Tenancy Schedule are an estimate, mapped from a prior six-lot schedule for a since-turned-over tenant mix, not a confirmed current rent roll (see footnote) — and resolution of the address discrepancy between this site's two marketing documents (146 Scotts Road, 4076 vs. 39 Railway Parade, 4074).
